varnished

VARNISHED

A MODERN LOOK WITH A STYLISH TOUCH

This new cover line offers the perfect junction between different souls. If you are looking for something elegant but trendy, simple but eye-catching, the varnished metallic cover is certainly the choice.

The smooth, rounded corner metallic plate is offered in different color options such as metallized light grey, black, red, blue and green.

(please note that the colors are subject to change without notice)

OPTIONAL

Engraved names available on request.

The image features a background of layered, torn paper in various shades of beige and cream. The paper is layered and has a rough, deckled edge, creating a sense of depth and texture. A solid white horizontal line runs across the middle of the image, partially overlapping the paper layers. On the right side of this line, the text "die cut leather" is written in a bold, white, sans-serif font.

die cut leather

DIE CUT LEATHER

A STYLISH LOOK, CLASSIC AND ROMANTIC.

The die cut offers a classic way to customize your book with a picture turned to the same tone as the leather color. Formerly offered in leatherette, now the code 200 features the luxury italian leather also.

(The colors are subject to change since this is a natural leather)
